

## My Dad

He came to the earth – to live and to depart  
From the cradle to grave he gave joy to the heart

A loyal husband, dedicated father and son  
Has fought the good fight, his place in heaven won

A warrior on earth, fearless (ok, Mom's the exception)  
Then would sometimes retreat for his own self-protection

Eyes that would sparkle when a story's he's telling  
Filled with gestures, expressions, and occasional yelling

Known to be explosive – but always with a just cause?  
Children push buttons & occasionally break laws!

Loved knowledge and learning, a life-long quest  
All who have known him have been truly blessed

A quiet, genuine man filled with faith and power  
Worked and served others for countless hours

Passionate about the gospel of Jesus Christ  
He knows all about the pearl(s) of great price

And although he's not seen, he's definitely near  
To comfort, and love, and bring good cheer
