

Footprints In The Sand

One night I had a dream—
I dreamed I was walking along the beach with the Lord,
And across the sky flashed scenes from my life.
For each scene I noticed two sets of footprints in the sand.
One belonged to me, and the other to the Lord.
When the last scene of my life flashed before us,
I looked back at the footprints in the sand;
I noticed that many times along the path of life
There was only one set of footprints.
I also noticed that it happened at the very lowest
and saddest times in my life.
This really bothered me, and I questioned the Lord about it –
“Lord, you said that once I decided to follow you,
You would walk with me all the way.
But I noticed that during the most troublesome times in my life,
There is only one set of footprints.
I don’t understand why in times I needed you
most, You should leave me.”
The Lord replied, “My precious, precious child,
I love you, and I would
Never, never leave you during your times of trial and suffering.
When you saw only one set of footprints,
It was then I was carrying you.”
