

Peace In Trusting

God only knows how I've cried
Heartbroken and my hands are tied
But He's been faithful time and time again
And although I don't know how it ends

There's peace in trusting the Lord
Peace when my faith and fear are at war
So I don't have to worry, He knows what's in store
And there's peace in trusting the Lord
There is peace in trusting the Lord

If His will should not go my way
If the answer is not what I've prayed
Then I'll trust Him for what I can't see
'Cause I know He knows what's best for me

There's peace in trusting the Lord
Peace when my faith and fear are at war
So I don't have to worry, He knows what's in store
And there's peace in trusting the Lord
There is peace, peace, peace in trusting the Lord
