Going Home

Lyrics by David Downes

Going home, going home
I am going home
Quiet like, some still day
I am going home
It's not far, just close by
Through an open door
Work all done, care laid by
Never fear no more

Mother's there expecting me
Father's waiting too
Lots of faces gathered there
All the friends I knew
I'm just going home

No more fear, no more pain
No more stumbling by the way
No more longing for the day
Going to run no more
Morning star light the way
Restless dreams all gone
Shadows gone, break of day
Real life has begun

There's no break, there's no end
Just living on
Wide awake, with a smile
Going on and on, going on and on
Going home, going home
I am going home
Shadows gone, break of day
Real life has begun
I'm just going home
