

Just Close By

There is a place at the end of the rainbow
Where storm clouds will gather no more,
A place which is tranquil with beauty
Just close by at the edge of the shore.

We were sent to this earth for a reason
Which we sometime may never conceive,
But he blessed us with truth and knowledge
If we follow in His path and believe.

God opens His arms when we leave here
And welcomes us home in that sphere,
We are met by our Savior and loved ones
Who once lived with us on earth here.

The place where we'll go is most holy.
There's no feelings of sorrow or pain,
There to rest in that heavenly mansion
Where we'll be with our loved ones again.
