Daniel Allen Hondo, Dad and Grandpa of 77 years, passed away on Saturday, August 17, 2024, at Twins Falls Transitional Care of Cascadia.

Dan was born October 14, 1946, in Rupert, Idaho, the son of August Tokuo and Akiye Ishino Hondo. He graduated from Minico High School - class of 1964, and subsequently attended Utah State University in Logan, Utah, prior to graduating from the College of Southern Idaho. Dan started farming about the time he graduated from high school and continued until 2020. He married Kristine King, and they had two sons, Dewayne and Brooks.

Dan had a passion for farming, always improving his operation with new techniques and technology. His hobbies were traveling the backroads, eating at out-of-the-way spots, and getting into the backcountry. Early on, that was snowmobiles, then four-wheelers, and, in his later years, RZR's. He had a lot of adventures, countless stories, knew the best places to eat, and he made a lot of great friends along the way.

Dan was preceded in death by his parents, August and Akiye; and his wife, Kris.

He is survived by his sister, Shirley (Warren) Murata; his travel companion and partner in crime, Cindy Moyle; sons, Dewayne (Tammy) Hondo and Brooks Hondo; and lastly by his two granddaughters, Aralyn and Sicily, who he made more memories with than we can count and who were the light of his life.
