

Footprints In The Sand

One night I had a dream-

I dreamed I was walking along the beach with the Lord,

And across the sky flashed scenes from my life.

For each scene I noticed two sets of footprints in the sand.

One belonged to me, and the other to the Lord.

When the last scene of my life flashed before us,

I looked back at the footprints in the sand;

I noticed that many times along the path of life

There was only one set of footprints.

I also noticed that it happened at the very lowest

and saddest times in my life.

This really bothered me, and I questioned the Lord about it -

“Lord, you said that once I decided to follow you,

You would walk with me all the way.

But I noticed that during the most troublesome times in my life,

There is only one set of footprints.

I don't understand why in times I needed you

most, You should leave me.”

The Lord replied, “My precious, precious child,

I love you, and I would

Never, never leave you during your times of trial and suffering.

When you saw only one set of footprints,

It was then I was carrying you.”
