Our Family Tree

*To all my loved ones when I die
Don't mourn for me or even cry,
I've loved you all my lifetime through
And now God's taken me from you.*

*My life was good, my husband great
I had a wonderful eternal mate,
We had three children from our love
All sent to us from God above.*

*Our love as a family we all could see
Branched out and became a family tree,
With each new grandchild the limbs were bent
By a longed for spirit from heaven sent.*

*Now my sweetheart is holding my hand
I'm again with him in a far better land,
The most sweet and tender companion was he
We now walk together in eternity.*

*And now dear loved ones my prayer will be
That God will bless each of you for me,
And keep you safe and in His grace
Till we see each one of you face to face.*

*Your loving mother & grandmother
Shirley B. Paoli*
